Den Building Day

Dear Parents and carers,

On June the 16th the whole school will be taking part in a Den Building day.

Den building is to fire your child's imagination and support all areas of their learning. Children can learn key social skills with their peers, they will also learn to share and cooperate as a team so that they will extend their creativity to support all aspects of their learning. Building dens from scratch will give your children a great sense of achievement.

But first, we need your help. Each class will be taking part. To build dens we need a range of resources. We will appreciate anything you can donate. This could be anything from old bed sheets to shower curtains, rope and pegs or even cardboard boxes and wooden trellising. Please see list attached for ideas.

Each class will be responsible for collecting their resources and building materials. We would like to share this day with you. We would love parents to get involved! We would like to invite you into school at 1.30pm on Friday the 16th June. There will be space for six parents or carers from each class, so places are limited. Please fill in the reply slip as soon as possible and return to your child's class teacher.

There will be a celebration assembly in the afternoon where the best den will win a price!

Thank you for your continued support. Happy den building!

Miss Marlow

Design and Technology Subject Leader

✂.....

Den Building Day

I would like to come and join in the fun on "Build a Den Day" on Friday 16th June.

Parent/Carer ofin year.....
