

St Maria Goretti Newsletter

22nd September 2016 Autumn 2

Dear Parents and Carers,

I am very pleased to share some of the GCSE results from past pupils of St Maria Goretti. The top five results included a very impressive number of A*-C grades. We are also proud to share with you some of the destinations of past students as they pursue further studies and careers.

M P (APP ICT)	Seeking Apprenticeship
C (ENG) A (HIST) C (RS)	History, Keele University
C (CHEM) B (MATHS) B (PHYSICS)	Maths, Leicester University
C (BIO) C (CHEM) A (PHYSICS) C (AS MATHS)	Continuing A level study at STMCA
E (AS CHEM) E (AS PHYSICS)	Unknown
C (ENG) C (HIST) B (SOC)	Sociology, Criminology & Deviance,

This week I have been listening to children reading across a number of age groups. Whilst we teach the skills of phonics, skimming, scanning, researching and comprehension skills in class, it is essential for the children to practise and apply these skills through regular reading at home. Please could you sign when your child has read to you, or read independently, at home. If children are not making progress and they are practising regularly, then this may indicate that they need extra help and support.

This week the Academy Committee have met to discuss our School Development Plan for this academic year. This will be shared with you over the next couple of weeks so that you are informed about the key areas we aim to improve. The children will be involved in writing the plan in their own words so that they can understand how we can make things better for their learning.

Have a lovely weekend,

Mrs M Yates
Executive Headteacher
