Monday 3<sup>rd</sup> April 2017

Dear Parents and Carers,

## Science, Technology, Engineering and Maths Week – 3<sup>rd</sup> April to 7<sup>th</sup> April 2017

This week we are holding a STEM week at school. This stands for Science, Technology, Engineering and Maths. Each class will take part in lessons, focused around these STEM subjects. There will be exciting activities going on throughout the school, as well as curriculum support from STEM specialists in our community.

On Thursday 6<sup>th</sup> April we will hold an Experiment Day. Each class will complete a science based experiment throughout the day, as well as a special workshop in a Star Dome! All pupils are invited to come to school dressed as a Mad Scientist on this day. Pupils can wear anything linked to science such as: science goggles, a lab coat or a wig.

We will end our fantastic STEM week on Friday by completing a whole school volcano challenge. Your child will need to bring a bottle of lemonade to school by Wednesday 5<sup>th</sup> April.

Parents and carers are invited to join in the fun on Friday 7<sup>th</sup> April at 2.30pm.

This is an exciting opportunity for our children and a new initiative at our school.

Yours sincerely

Miss Royall and Miss Marlow
