

English

Our topic this term is 'Crime and Punishment' with a focus on Victorian life. Our class text is 'Street Child' by Berlie Doherty. We will be using our various skills in writing to compose genres such as: setting descriptions, playscripts, newspaper reports, recounts, diary entries, letters and non-chronological reports. We will also be focusing on our inference and deduction skills when reading a more complex text. We will also be continuing to tackle unfamiliar words confidently in the context of the text, and reading and spelling words from the Y5/6 Spelling List.

Physical Education

Athletics
Rounders/Striking and Fielding
Hockey
Netball

Computing

Coding and debugging to create more complex games.
Use technology safely, respectfully and responsibly.
Use technology to research topics to further understanding.

Mathematics

Solves problems involving multiplication and division including using a knowledge of factors and multiples, squares and cubes
Interprets negative numbers in context, counts forwards and backwards with positive and negative whole numbers including through zero
Reads, writes, orders and compares numbers with up to three decimal places
Solves problems which require knowing percentage and decimal equivalents of $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{5}$, $\frac{2}{5}$, $\frac{4}{5}$ and those fractions with a denominator of a multiple of 10 or 25

History

Victorians
We will be comparing our lives to the Victorians, placing events in chronological order and learning how the Victorians affected our lives today.
We will also be expanding our historical vocabulary.

Geography

Identify key aspects of: types of settlement and land use, economic activity and trade links.
Name and locate key cities of the UK.
Analyse a variety of maps

Modern Languages

The children will be continuing to develop their skills in listening to and speaking the Spanish language.

Music

Continue with their learning of their chosen string instrument, working in ensembles and solos to follow notes and compose music. Children will be extending their musical vocabulary.

Science

Changes in Materials

Compare and group together everyday materials on the basis of their properties.
Separate materials
Understand reversible and irreversible changes
Plan different types of scientific enquiries, take measurement and record data

Religious Education

- Easter
- Pentecost
- Work of the Apostles
- Marriage and Holy Orders

Design & Technology

Designing and building a Victorian fairground.
Evaluating and improving their design

Art & Design

An artist study of William Morris
Creating art in the style of William Morris.
